**International Meeting on Counter-Terrorism:
Countering Cross-Border Movement of Terrorism
Bali, 10 August 2016**

I. Introduction

Over the years, terrorism has become a concern for the international community, including Indonesia. It continues to pose a serious threat not only to international peace and security, but also to the social and economic development. It is an extraordinary crime that has caused massive loss and casualties, and no single country is immune from terrorism.

The forthcoming International Meeting on Counter-Terrorism: Countering Cross-Border Movement of Terrorism, will be held on 10 August 2016, at Hotel Sofitel Bali, Indonesia. The meeting is a separate event that will be convened back-to-back with the 2nd Counter-Terrorism Financing Summit which is jointly organized by Indonesian Transaction Report and Analysis Centre (PPATK) and the Australian Transaction Report and Analysis Centre (AUSTRAC), to be held 8-11 August 2016 at the same venue.

The meeting aims to strengthen the international cooperation network in addressing the growing threat of cross-border movement of terrorism which includes actors, information and also financing flows, among others. It will also focus on the emergence of the new phenomenon of FTFs as well as the misutilization of cyber technology in spreading the ideas of extremism and radicalism.

The meeting will provide an opportunity for us to enhance our collective efforts in countering terrorism, particularly on the uncontrolled movement of terrorists. This may include exchange of views and the sharing of intelligence information, lesson learned, and also best practices in countering terrorism, including terrorism financing, weapon smuggling, counter-radicalization and de-radicalization.
